Assessment of Applications

The ACROD Parking Program assessment team will assess each application against the eligibility criteria. If more information is needed to determine eligibility, the ACROD Parking Program may:

- Contact the applicant (or legal guardian) to ask for additional information.
- Contact the Doctor or Occupational Therapist who completed the application form to ask for additional information.

The ACROD Parking Program receives a high number of applications. Processing your application may take up to 20 working days from the date your application is received. This does not include mailing time.

If your application is not successful, information will be provided to you about our appeals process.

Privacy Statement

In accordance with National Privacy Principle (NPP04), information contained in the application form will not be disclosed to any organisation other than your Doctor or Occupational Therapist. However, the ACROD Parking Program may use the general statistics for future planning. General statistical information does not identify any person. You may access your own information by written request. ACROD Parking Program takes all reasonable steps to protect the identifying information it collects from misuse, unauthorised access and disclosure. The Applicant recognises and accepts that the ACROD Parking Program must take all reasonable steps to ensure that any party to whom personal information is released is aware and complies with the Australian Privacy Laws. Accordingly, information is to be held and dealt with in accordance with the Australian Privacy Act 1988 and the 13 Privacy Principles set out in the Act.
